

Dear UYLD10 subscriber,

We are pleased to inform you that the UYLD10 set has been scheduled for production. We expect to get the UYLD10 set into your hands in time for the Holiday season.

We will continue to accept subscriptions until the cutoff date of September 1st, 1994, at the \$300.00 price, so if you have any friends who have been procrastinating about whether or not to order the set, tell them that **NOW** is the time! In addition, if you wish to purchase additional sets, you can do so at the same \$300.00 price.

Please read the following carefully:

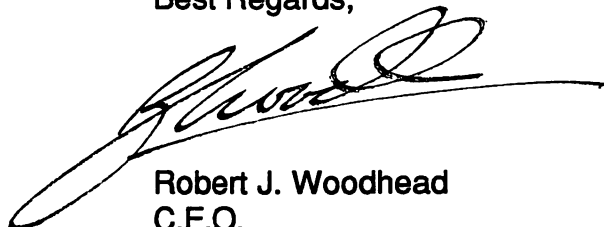

If you have already sent in a cheque as payment, it will be cashed in early September. Those of you who ordered using your credit card will be charged 50% on September 1st (\$150.00) and the remainder when the set ships. If your set can be shipped via UPS GROUND, Shipping & Handling will be free, otherwise you'll be charged whatever additional shipping fees we have to pay. If you are an international client and you want Air service, please call us and let us know.

In order to ensure that your order is in our computer correctly, we ask that you please call, write, or email us and confirm the important details, especially your address, credit card information, and daytime phone number. Remember that credit cards expire, so please double-check that the card information you gave us will still be valid in early September.

Production details:

We will be remastering all 40 episodes of UY contained in the LD10 using our new DigiStamp™ subtitling system. Rather than put the discs in a traditional box, we've found a tremendous LD album. Each LD is stored in a special heavy vinyl holder, and all the holders are bound together using a 3-ring binder inside the album. It not only looks better than a box, but provides ultimate LD protection. Full linernotes will be included, of course. All discs will be CLV, 2 episodes per side. We are not going to subtitle the opening and ending credits, except for the songs (on half the episodes); instead, one of the extra bonuses at the end of one of the discs will be a comprehensive credits listing of all the voice actors and staff. We will be tucking little extras onto the ends of the discs as usual.

Best Regards,

Robert J. Woodhead
